

**CONFLICT OF INTEREST CODE FOR THE  
SAN DIEGO COUNTY DEPARTMENT OF GENERAL SERVICES**

The Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices commission has adopted a regulation, 2 California Code of Regulations Section 18730, which contains the terms of a standard conflict of interest. It can be incorporated by reference and may be amended by the Fair Political Practices Reform Act. Therefore, the terms of 2 California Code Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees are designated and disclosure categories are set forth, constitute the conflict of interest code of the San Diego County Department of General Services.

Pursuant to Section 4 (A) of the standard code, designated employees shall file statements of economic interest with the agency. Upon receipt of the statements of the Director, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. Statements for all other designated employees will be retained by the agency.
